

Body Treatments

Organic Elements are used for all body wrap treatments. They contain the purest, highest quality natural botanicals, essential oils and marine extracts, leaving you feeling beautifully radiant, healthy and toned...

* Detoxifying & Purifying Treatment

60 mins £36

A stimulating treatment that aids toxin removal. The skin is exfoliated and a detoxifying preparation is applied. The body is then wrapped to allow for deep down cleansing action. Once wrap is removed, purifying essential oils are massaged into the body using stimulating drainage techniques.

* Reducing (Anti-Cellulite) Treatment

60 mins £36

Great for reducing the appearance of cellulite! The skin is exfoliated, a stimulating preparation is massaged into the required areas and then wrapped. Once removed, active essential oils are massaged into the body to complete this relaxing and effective treatment.

* Algae Modelling Treatment

75 mins £42

This invigorating and rebalancing treatment helps reduce cellulite and fluid retention as well

as adjusting mineral imbalances. After deep exfoliation and an enzyme massage, a mineral enriched algae mask and active essential oils are applied and then sealed and activated within a space blanket. Includes a scalp massage for total relaxation.

* Deep Cleanse Back Treatment

45 mins £25

The back is exfoliated and massaged under steam using purifying essential oils, a mineral clay mask is applied before the application of a soothing moisturiser.
